Full members shall be Professional Gardeners, whose main source of income is from working as a gardener, and whose career includes at least five years full-time practical working experience in historic, heritage or botanic gardens, to include National Trust, charitable foundations, private gardens, hotel gardens and others managed in a similar way.

Affiliated membership is open to those not Professionally engaged in gardening but working in professions related to horticulture, such as consultants, botanists etc.

Affiliated membership is also open to people interested in historic, heritage private or botanical gardens but whose main source of income is not from working as a gardener.
i.e. garden writers, garden owners, designers, nursery workers, landscape architects, landscape contractors etc.

Associate membership is open to professional gardeners whose main source of income is from working as a gardener in a historic, heritage or botanic gardens etc as above, and who have yet to meet the criteria for full membership.
(i.e. five years full-time working experience).

Student 1 membership is open to students who are currently on a full-time horticultural course; they should re-apply to become Associate Members on finishing their course and/or taking up employment. There is maximum limit of three years for this category.

Student 2 membership is also open to students who are currently on a part-time horticultural course; they should re-apply to become Associate Members on finishing their course and/or taking up employment. There is maximum limit of one year for this category.
